MISSION:

***“To gather in friendship,
to enjoy the
wonders of nature,
and to share our
passion for birds.”***

Three Rivers Birding Club

We provide opportunities for birders of all ages and skill levels to come together and learn from each other.

MEETINGS are held every other month on dates and at locations announced in *The Peregrine* and on the websites. Social time with light refreshments, a short business agenda, and an open discussion of recent sightings are followed by a program featuring an expert in the field of birding, an accomplished nature photographer/lecturer, or members sharing photos and digital presentations.

OUTINGS are scheduled throughout the year. Our destinations include day trips to local parks, rivers, and lakes plus longer trips to more distant, well-known birding locations. Beginners are welcome on all of our outings.

NEWSLETTER: *The Peregrine* contains timely articles about upcoming meetings, outings, and special events, as well as local birding reports, highlights of national and international birding trips, and news from the world of birding.

OUR WEBSITES contain announcements, scheduled events, members’ photos, recent sightings, and more.
